ECO LONG SLEEVED CLASSIC CHEF JACKET

Style: CJ0193ECO

Fabric: 195gsm 65% Recycled Polyester, 35% BCI Cotton

This unisex chef jacket is made from a sustainable blend of 65% recycled polyester and 35% cotton sourced from the Better Cotton Initiative (BCI), with a fabric weight of 195 gsm. It recycles up to 11 plastic bottles per jacket, and with up to 50% less energy used to produce recycled polyester fabric, the CO2 emissions from its' production are much lower than virgin cotton alternatives. In addition to its eco-friendly features, this high-quality chef's jacket is crafted from a fabric blend that provides comfort with its lightweight, soft texture and durability, making it perfect for even the most demanding kitchen environments. It features 10 nickel-plated ring press stud fastenings in a concealed button design, a double pen pocket on the left sleeve, and a mandarin collar stand with top stitching to combine eco-friendly materials with a professional, functional design.
